**Re: Submittal Schedule for FS Deliverables
Lenz Oil Service Site
Lemont, Illinois**

Dear Mr. Bielawski:

In my letter of August 6, 1996, the following schedule for the Lenz Oil project was confirmed:

- ▶ August 7, 1996: Submittal of remedial alternatives outline and RCRA/TSCA questions
- ▶ August 9, 1996: Approval of remedial alternatives outline
- ▶ August 12, 1996: ERM-North Central initiates revision of FS report
- ▶ August 21, 1996: Resolution of RCRA issues raised in August 7th submittal
- ▶ October 16, 1996: Submittal of revised FS report
- ▶ November 15, 1996: Submittal of review comments on revised report
- ▶ December 17, 1996: Submittal of revised report

Considering the additional amount of time taken to resolve the TSCA and RCRA issues related to the site, the Agencies propose the following revised dates for the last three activities:

- ▶ October 30, 1996: Submittal of revised FS report
- ▶ November 29, 1996: Submittal of Agency review comments
- ▶ December 30, 1996: Submittal of FS report revision
